In a country, therefore, where every boy has a country, therefore, where every boy has a country therefore the country the country therefore the country the country therefore the country the country therefore the country th presidency down, we are teld that no officeholder can express his opinion and in-fluence others without subjecting himself Isborers in the city.

If we could strike a line with exactness we would be surprised to find how evenly the Kind Father has balanced the good and the city of the

Independent resort to become mere laborers in the city.

If we could strike a line with exactness we would be surprised to find how cently the Kind Father has believed the good and the entry-man are the one just about as well off as the college of the college of the three of the visit was 524,555 younds of leaf followed for as the cultury man and the est war.

However, we are not arguing to show that every man ought to be content with his lot, and no man is, but to say that Richmond halis with pleasance whatever of good comes to the country. We are happy when you have foir crops, not that you may be the better purchasers of us, but that you may be the better purchasers of us, but that you may be the better purchasers of us, but that you may be the better purchasers of us, but that you may be the better purchasers of us, but that you may be the potential that you m

BOLD AND RECKLESS ECPLICITY,

ago not only did our voters fall in their whole duty, but Paul was able to draw both from Democrats and Republicans.

We are told that on Tuesday when "during the discussion at Monterey O'FERRALL cornered Paul on his record, he depealed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to his friends to know if he had committed to have a separate normal school elsewhere.

This afternoon Professor Noah R. Davis, of University of Virginia, delivered in the public hail his interesting lecture on Raphael's patating. "The School of Athens"; and at Science Post-office Department faithfully, was discharged. And so Woltz and Beckley, one representative of both races, were beheaded—the one to frighten the white people of Virginia, and the other the colored, so that both races might be public hail his interesting lecture on Raphael's patating. "The School of Athens"; and at Science Post-office Department faithfully, was discharged. And so Woltz and Beckley, one representative of both races, were beheaded—the one to frighten the white people of Virginia, and the other the colored, so that both races, were beheaded—the one to frighten to have a separate normal school elsewhere.

This afternoon Professor Noah R. Davis, of Virginia was one to fait of Onanceck Academy. It was discharged. And so Woltz and Beckley, one representative of Virginia was discharged. And so Woltz and Beckley, one representat

as I believe you were considered the leader Readjuster, and an office-holder, of Hill district, Stafford county, who has ye voted with his party since its inion, declares publicly his intention of arg for Massey, and asserts that many not; how omee-houser aner omee-nomer and all that hoped to be, one after another, fell into line and cried to the august Clarke.

"The highest authority in the Readjuster party has declared in favor of equality of rights and privilexes as well as of duties and obligations. I am sure no fair man who expects to cooperate with the Readjuster party could ask more, and NOFREE MAN WOULD ACCEPT LESS."

I do not feel any more to-day than I did eight weeks ago like accepting William Mahone's dictation as the voice of the Readjuster party, and I do not propose to accept less than my full rights as an American freeman; nor shall I ask my friends to do more than I can do.

On reflection even the

On reflection over the BEST COURSE FOR READJUSTERS to pursue, I have concluded to call on you to pursue, I have concluded to call on you to announce yourself as an Independent Readjuster candidate, subject only to a fair convention free from the dictation of Mahone or any other outside and improper influence. I do this because you were the first man in the State eleven years ago to call attention to the question of readjustment in the columns of the Richmond State Journal, and ought therefore to be satisfactory to Reidjusters: because you have

Woltz an Independent Candidate. FREDERICKSBURG, VA., ? September 2, 1882. \$

announce myself as the REPUBLUANCE didate for Congress. This I do, with a full knowledge of the responsibilities and duties be having spoken to me, but said his purpose was, as I was a poor man, to offer me down."

Very respectfully yours, John W. Woltz,

How Mahone Assesses Virginians.

New Departure at the Madison Square. "Young Mrs. Winthrop" is the title of Bronses Howard's new play to be produallied rether closely to the manne casses.

The new departure will be watched with been made to any one, interest, as the play is said tribe well and been made to any one.
